EXECUTIVE SPONSORSHIP PACKAGE 2023

Coffs Harbour Netball Association

fun developing lifelong friendships

COFFS HARBOUR NETBALL ASSOCIATION

We would like to thank you for the opportunity to show you our 2023 Executive Sponsorship Packages.

Our Association is seeking financial help from local community businesses to assist us with costs that are involved in the running of our Association. This would enable us to run programs throughout the year for our community based clubs and support our Representative Teams at numerous local and Regional Carnivals during the 2023 Representative Season.

We currently have 4 Clubs within our Association. In 2022, we had 522 registrations playing in our Junior Competitions, 559 registrations in our Senior Wednesday Night Competitions and 69 in our Mixed Netball Competition. Our numbers are increasing and it is looking likely 2023 will be our biggest year of registrations yet.

In 2022 five players from CHNA were selected for the North Coast Academy of Sport, one in the North Coast Academy of Sport Umpires program, and two players selected for the Regional Emerging Talent Program – one of whom has been accepted into the third and final round for NSW selections. CHNA were also extremely delighted when our team won the Regional League Competition held in September. Four CHNA players were chosen from this competition for the Regional Representative Team.

*All sponsorship packages are valid for 12 months from February to February.

All Sponsors have the right to elect to sponsor for a further 12 months but must indicate the extended sponsorship to the Association no later than the Association's AGM, held on the first Monday in December of each year.

The Association has the right to remove any promotional signage and seek sponsorship from businesses after this date. The Association will ensure that conflict of interest between businesses is considered but has the right to accept sponsorship from similar businesses if the Association feels there is no direct impact on the Sponsor, eg a Physiotherapist sponsors Wednesday Night Competition and a Physiotherapist sponsors Saturday Competition and/or a Representative team. The Sponsor has the right to select the size and position of the sign per the package purchased and the remaining availability of positions at the time of Sponsorship funds being received.
